Moose Lodge #2221
Nashville, Tennessee (Davidson County)

The West Nashville Moose Lodge #2221 has requested permission to change locations. The Lodge is currently licensed at 7390 Charlotte Avenue. The Lodge purchased property at 7340 Charlotte Avenue and intends to construct a new building to house the Lodge. At this time, the Lodge is requesting permission to temporarily occupy a house on the new property while the permanent location, on the same property, is being built. When that structure is complete, in an estimated 90 days, the Lodge intends to move into it. All documentation has been submitted, with the exception of the following:

- a. Use and occupancy permit for temporary house location;
- b. Use and occupancy permit for new permanent location;
- c. TABC Inspection of new permanent location;
- d. Acknowledgment of the rules and regulations.

Discussion/Action Taken:

Assistant Director Carolyn Smith stated to the Commission that Moose Lodge #2221 had requested to the Commission that they be allowed to transfer locations because the present property has become too large. They have purchased property at 7340 Charlotte Avenue and want to temporarily move into a house that is currently located on the property while the permanent lodge is being built. They anticipate that the new lodge will be built in approximately 90 days.

Commissioner Mathews made a motion to approve the transfer of location upon receipt of the pending documentation. Commissioner Bond seconded the motion and it passed with 3 ayes.
